

*In Loving Memory
of
Melissa J. Watership*

1970 - 2016

*“To come to the end of
a time of anxiety and
fear! To feel the cloud
that hung over us lift
and disperse—the cloud
that dulled the heart
and made happiness no
more than a memory!
This at least is one joy
that must have been
known by almost every
living creature.”*

*— Richard Adams
Watership Down*
