

*Much of my luck can be attributed to warm, supportive parents; thoughtful and intelligent children; talented, handsome and affectionate grandchildren; and a charismatic, compassionate and loving wife.*

Oz Bonsey

**"For The Good Times"**  
**(Version sung by Ray Price, Original Lyrics by Kris Kristofferson, Modified Lyrics by Lorna Healey)**

*Don't look so sad, I know it's over  
But life goes on and this old world will keep on turning  
Let's just be glad we had some time to spend together  
There'll be time enough for sadness when you leave me*

*Lay your head upon my pillow  
Hold your warm and tender body close to mine  
Hear the whisper of the raindrops blowing soft across  
the window  
And tell me that you love me one more time*

*Lay your head upon my pillow  
Hold your warm and tender body close to mine  
Hear the whisper of the raindrops blowing soft across  
the window  
And make believe you love me one more time*

*For the good times*

"For The Good Times" was Osmond's and Ann's "song."
